INSPIRING CUISINE

Be inspired and energised by the innovative flavours and creative presentations of our carefully curated dishes.

Tabemasu: A distinct Japanese dining experience where art, design and cuisine come together to create a playfully chic atmosphere.

Velaa Bar + Grill: Poolside dining offering a curated selection of refreshing drinks, complemented by light, fresh dishes perfect for savouring in the summer sun.

Riviera: A beachside playground where endless ocean vistas meet the vibrant spirit of Southern Spain. Fusing authentic Spanish-style dining with effervescent socialising, this lively spot brings the warmth of Catalan style to the Maldives.

La Vie: Inspired by the French saying, "life is too short to drink bad wine" – La Vie is a refined yet relaxed bar. With uninterrupted ocean views and a private pool, it is the perfect venue to unwind throughout the day and embrace the magic of golden hour.

Waves Café: A space dedicated to mindful eating and drinking, where wholesome ingredients are thoughtfully presented in a simple, light, and uncomplicated way, nourishing both the body and the soul.

Latitude: Located within Le Méridien Hub, Latitude is the social heart of the resort, evoking the warmth of a cozy living room where guests can relax, sip premium Illy coffee, and socialise.

Turquoise: An all-day dining venue offering a diverse selection of international cuisine, including delightful Asian and western dishes to suit every palate.

DIVE INTO ADVENTURE

Explore the crystal-clear waters and vibrant marine life with a wide range of activities for all levels of adventurers.

Dive Center: A variety of activities are offered, including diving, snorkeling, and guided tours of the unique house reef just steps away from the shore. Additional experiences include night dives, dive training for all levels, sunset dolphin cruises, fishing trips, and more.

Watersports Center: Offering thrilling activities such as jet skiing, wakeboarding, and windsurfing. Complimentary kayaks and paddleboards are available for guests wishing to explore the waters at a more leisurely pace.

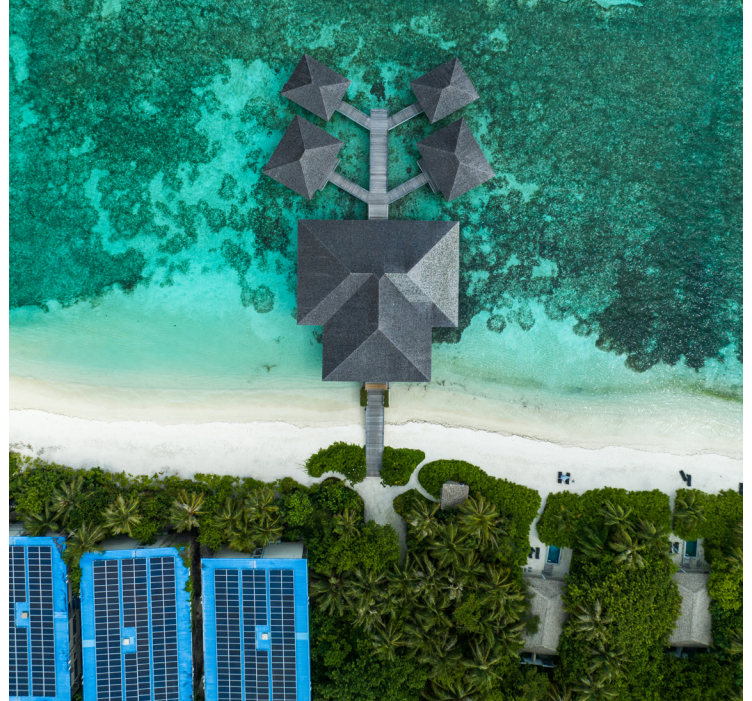

SUSTAINABILITY: OUR DNA

Sustainability is deeply embedded in the resort's core, reflected in various green initiatives that are integrated into the guest experience. With Green Globe certification, efforts are focused on maintaining a balance between environmental responsibility and guest satisfaction.

Greenhouse: One of the largest hydroponic gardens in the Maldives, the greenhouse produces a variety of herbs, salads, and other fresh produce. Guests can indulge in the Harvest Table dining experience, showcasing locally grown ingredients, or take part in a family foraging adventure to learn about sustainable sourcing.

Marine Conservation Hub: At the Marine Conservation Hub, guests can meet the resort's marine biologist and learn about the island's natural ecosystem, the surrounding mangroves, and the diverse marine life. The Marine Master Programme offers a deeper understanding, while snorkeling with the marine biologist provides an opportunity to experience the environment firsthand.

Back of House Tour: A guided tour offers insight into sustainable operations, including solar panels, water bottling plants, waste management systems, and energy-saving practices that support the resort's commitment to environmental preservation.

DESTINATION DINING

Guests can enjoy a selection of extraordinary dining experiences that make the most of the stunning surroundings.

A picnic on the private island of Bodu Finolhu offers an idyllic escape with a curated selection of gourmet dishes, allowing guests to relax on a secluded beach surrounded by turquoise waters.

For a more intimate evening, a **romantic beach dinner** provides the perfect setting for a special celebration under the stars, with personalized service and a carefully crafted menu prepared just for two.

A **floating breakfast** in the villa's private pool offers a unique and indulgent start to the day, combining comfort with breathtaking views.

The **Harvest Table** invites guests to savor fresh, locally grown produce in a farm-to-table dining experience, emphasizing the resort's commitment to sustainability.
