LOCATION

Located on the southern coast of Mahé, Cheval Blanc Seychelles unveils a contemporary Maison nestled between the lush jungle and pristine beach of Anse Intendance.

The bay is considered as one of the most beautiful beach in the world. The sublime beauty of the powdery white sand, turquoise water, the lush jungle, iconic granite boulders and the magnificent sunset offer an experience of a rare beauty.

Access

By Car

Anse Intendance is located 30 minutes from Mahé's international airport by car.

52 villas have been imagined by architect Jean-Michel Gathy as an ode to Creole traditions and a tribute to Nature.

Curled up on the beach or perched on the hillside, each villa boasts lavish indoor and outdoor spaces, including spacious bathrooms, separate dressing rooms, private swimming pool and extensive terraces.

BEACH VILLAS

1, 2 and 3 bedrooms

Nestled just in front of the pristine stretch of sand of Anse Intendance, the Beach Villas reveal a contemporary interpretation of traditional creole architecture.

Each villa welcomes lavish indoor and outdoor spaces, including spacious bathrooms and adjoining dressing rooms, as well as thoughtfully-designed living spaces that seamlessly extend to a tropical outdoor patio.

Outside, amidst the tranquillity of the verdant garden, the 13-metre-long swimming pool invites to indulge in island relaxation while the beach-side lounge and al-fresco pavilion are the promise of memorable starlit evenings.

Ensuring the privacy of each guest, some of the Beach Villas also feature a second or third bedroom for families and tribes travelling together.

An unparalleled island escape, the Beach Villas offer a postcard scenery facing the sparkling sea of Anse Intendance.
