

COUSINE ISLAND
SEYCHELLES

4° 20 Mins 55.73 South / 53° 38 Mins 53.24 East

FACT SHEET

*“Where nature thrives and man is just a silent observer,
curator of one of the last remaining pristine islands on earth.”*

In the Azure waters of the Indian Ocean there is an island like no other. Where nature thrives and man is just a silent observer. Just below the equator and 1000 miles east of Africa, Cousine Island is one of the most untouched granitic islands of the Seychelles archipelago and it is also recognised internationally as one of the most ecologically important private islands on earth.

Location

8km off the West coast of Praslin and 41km North East of Mahe Island.

Gps Co-ordinates

4° 20 Mins 55.73 South

53° 38 Mins 53.24 East

Accommodation

- 1 Presidential Villa - accommodates a maximum of 4 adults and 2 children
- 4 Luxury Villas - accommodate a maximum of 2 adults and 1 child
- Maximum 12 adults & 6 children

All Luxury Villas offer a front and rear veranda, a private swimming pool and outside shower, spacious bathrooms with twin showers, vanities and Jacuzzi baths.

Additional to the above offerings, the Presidential Villa boasts a private front veranda and swimming pool, a second bedroom ensuite, study area, spa, gym, private outside bar and a fulltime butler and chamber-lady.

Cuisine

Influenced by Creole, Asian and European cuisine, sophisticated dishes are presented to satisfy each guest's individual taste. Fresh produce is sourced locally and guests are encouraged to enjoy their own catch of the day.
